Department of Biology Course Outline

SC/BIOL 2030 4.00 Animals
WINTER 2018/2019

Course Description
A study of the diversity of animals, their structure, physiology and evolution. Three lecture hours, three laboratory hours. One term. Four credits.

Prerequisites
SC/BIOL 1010 6.00 or SC/BIOL 1000 3.00 and SC/BIOL 1001 3.00. Course credit exclusions: SC/BIOL 2030 5.00, SC/BIOL 2031 4.00, SC/BIOL 2031 3.00.

Course Instructors and Contact Information

Course Director
Dr. Andrew Donini
205 Lumbers Building
adonini@yorku.ca

Lab Coordinator
Andrea Durant, PhD Candidate
wb2030@yorku.ca

Technical Staff
Krystina Strickler

Schedule
Lecture Times: Monday and Wednesday: 11:30AM to 1PM in Lassonde Lecture Hall C

Lab Times:    Tues, Weds, Thurs, Fri: 2:30-5:30pm in Lumbers 124
              Tues, Weds, Thurs: 6:30 – 9:30pm in Lumbers 124
              Tues, Thurs: 10:00am to 1:00pm in Lumbers 124
              (Please attend only the lab section that you are registered for)
## Evaluation

**NOTE:** for additional important dates such as holidays, refer to the "Important Dates" section of the Registrar's Website at https://registrar.yorku.ca/enrol/dates/

## Resources

- **Laboratory Manual:** YORK SC/BIOL 2030 4.0 Animals Winter 2019 Laboratory Manual
  
  - Course Director: Dr. Andrew Donini
  - Lab Coordinator: Andrea Durant

- **Course Website:** Moodle

## Learning Outcomes

Upon successful completion of this course, students should be able to:

1. Have a factual and conceptual knowledge of animals with a better appreciation of the evolution and adaptive radiation reflected by species in the kingdom Animalia.
2. Have improved skills of observation, interpretation and note-taking.
3. Have improved skills of dissection with a better appreciation for the inner and outer workings of animals.
Course Content
The purpose of this course is to introduce you to the diversity of animals. We discuss the lifestyles of animals, relationships between structure and function, and the evolutionary history of the kingdom Animalia. In this course, we consider both living and fossil forms, surveying the basic approaches to living, across a range of phyla. General topics for consideration include phylogeny and development, as well as the systems involved in support, locomotion, feeding, digestion, circulation, communication, osmoregulation, gaseous exchange, reproduction and sensory operations.

Tentative Lecture Schedule:
Jan. 7th: Introduction/Classification
Jan. 9th: Animal Architecture
Jan. 14th: Unicellular Eukaryotes
Jan. 16th: Unicellular Eukaryotes/Porifera
Jan. 21st: Cnidaria
Jan. 23rd: Cnidaria/Acoelomate Bilateria
Jan. 28th: Acoelomate Bilateria
Jan. 30th: Pseudocoelomates
Feb. 4th: Mollusca
Feb. 6th: Annelida
Feb. 11th: Review Session
Feb. 13th: MIDTERM EXAM
Feb. 25th: Arthropoda I
Feb. 27th: Arthropoda II
Mar. 4th: Echinodermata
Mar. 6th: Vertebrate Beginnings
Mar. 11th: Fishes I
Mar. 13th: Fishes II
Mar. 18th: Amphibians
Mar. 20th: Reptiles
Mar. 25th: Birds
Mar. 27th: Mammals
Apr. 1st: Review Session
Apr. 3rd: Free Period/No Class

Lab Schedule:
Week of Jan 14th: Lab 1 Unicellular Eukaryotes
Week of Jan 21st: Lab 2 Porifera, Cnidaria
Week of Jan. 28th: Lab 3 Nematodes, Platyhelminthes
Week of Feb. 4th: Lab 4 Mollusca
Week of Feb. 11th: Lab 5 Annelida (Marked Dissection #1)
Week of Feb. 18th: READING WEEK, NO LABS
Week of Feb. 25th: Lab 6 Arthropoda
Week of Mar. 4th: Lab 7 Echinodermata & Chordata I
Week of Mar. 11th: Lab 8/9 Chordata II (Marked Dissection #2)
Week of Mar. 18th: Lab 8/9 Chordata III
Week of Mar. 25th: LAB EXAM

Experiential Education and E-Learning
Accessory Laboratory materials (images, videos), Lecture slides on Moodle
### Other Information

**Who do I ask what?**

The Course Director (Dr. Andrew Donini) will be teaching the course and is the person to ask any questions pertaining to the lectures. Dr. Donini can also help with lab material related questions BUT students are encouraged to first ask your TA about lab related material.

The Lab Coordinator (Andrea Durant) organizes the labs, lab scheduling, lab marking, TA meetings ahead of labs, student attendance in labs.

Take note of your TA’s name! Your TA runs your lab section, administers your quizzes, decides your lab performance grade, marks your graded dissections. Your TA is the first person you should ask lab material related questions to.

### Course Policies

**Students WILL** use the [Online Document Submission System](http://science.apps01.yorku.ca/machform/view.php?id=84113) at this link: to upload their documents (e.g. Attending Physicians Statement) for missed course work.

Missed Midterm Exam: Students with a documented reason for missing the midterm exam, such as illness, compassionate grounds, etc., which is confirmed by supporting documentation (e.g. Attending Physicians Statement) may be permitted to transfer the weight of the midterm to the final exam. **There is NO make-up midterm exam. Supporting documentation MUST be provided within 1 week of the original exam date. In case of illness ONLY a current Attending Physicians Statement will be accepted (Updated July 2017).** Further extensions or accommodation will require students to submit a formal petition to the Faculty.

Missed Laboratories: **Laboratory Attendance is Mandatory.** It is expected that you attend and complete each and every laboratory in this course. Please refer to the laboratory manual for complete policies, regulations and procedures for missed laboratories. **NOTE:** There is NO guarantee that you will be able to write and receive credit for a missed quiz and **NO guarantee** that you will be able to make-up a missed graded dissection.

Missed Laboratory Exam: Students with a documented reason for missing the laboratory exam, such as illness, compassionate grounds, etc., which is confirmed by supporting documentation (in case of illness this must be a current Attending Physicians Statement, updated February 2017) may be permitted to take a make-up laboratory exam which will consist of a dissection of an animal followed by questions related to the dissection (e.g. specific organs and functions).

Missed Final Exam: You must apply for Deferred Standing if you miss the final exam. Generally, provide a valid reason with supporting documentation (in case of illness this must be a current Attending Physicians Statement, updated July 2017) and complete a deferred standing agreement form.

### University Policies

**Academic Honesty and Integrity**

York students are required to maintain the highest standards of academic honesty and they are subject to the Senate Policy on Academic Honesty ([http://secretariat-policies.info.yorku.ca/policies/academic-honesty-senate-policy-on/](http://secretariat-policies.info.yorku.ca/policies/academic-honesty-senate-policy-on/)). The Policy affirms the responsibility of faculty members to foster acceptable standards of academic conduct and of the student to abide by such standards.

There is also an academic integrity website with comprehensive information about academic honesty and how to find resources at York to help improve students’ research and writing skills, and cope with University life. Students are expected to review the materials on the Academic Integrity website at - [http://www.yorku.ca/academicintegrity/](http://www.yorku.ca/academicintegrity/)

**Access/Disability**

York University is committed to principles of respect, inclusion and equality of all persons with
The University provides services for students with disabilities (including physical, medical, learning and psychiatric disabilities) needing accommodation related to teaching and evaluation methods/materials. These services are made available to students in all Faculties and programs at York University. Student's in need of these services are asked to register with disability services as early as possible to ensure that appropriate academic accommodation can be provided with advance notice. You are encouraged to schedule a time early in the term to meet with each professor to discuss your accommodation needs. Please note that registering with disabilities services and discussing your needs with your professors is necessary to avoid any impediment to receiving the necessary academic accommodations to meet your needs.

Additional information is available at the following websites:
Counselling & Disability Services - http://cds.info.yorku.ca/
Counselling & Disability Services at Glendon - https://www.glendon.yorku.ca/counselling/
York Accessibility Hub - http://accessibilityhub.info.yorku.ca/

Religious Observance Accommodation
York University is committed to respecting the religious beliefs and practices of all members of the community, and making accommodations for observances of special significance to adherents. Should any of the dates specified in this syllabus for an in-class test or examination pose such a conflict for you, contact the Course Director within the first three weeks of class. Similarly, should an assignment to be completed in a lab, practicum placement, workshop, etc., scheduled later in the term pose such a conflict, contact the Course director immediately. Please note that to arrange an alternative date or time for an examination scheduled in the formal examination periods (December and April/May), students must complete and submit an Examination Accommodation Form at least 3 weeks before the exam period begins. The form can be obtained from Student Client Services, Student Services Centre or online at http://www.registrar.yorku.ca/pdf/exam_accommodation.pdf

Student Conduct in Academic Situations
Students and instructors are expected to maintain a professional relationship characterized by courtesy and mutual respect. Moreover, it is the responsibility of the instructor to maintain an appropriate academic atmosphere in the classroom and other academic settings, and the responsibility of the student to cooperate in that endeavour. Further, the instructor is the best person to decide, in the first instance, whether such an atmosphere is present in the class. The policy and procedures governing disruptive and/or harassing behaviour by students in academic situations is available at - http://secretariat-policies.info.yorku.ca/policies/disruptive-andor-harassing-behaviour-in-academic-situations-senate-policy/
